

Neck Protection Skylotec NECKX

Product information

NECKX protects against the hazards of direct sunlight, which can often be a problem when working outdoors. The high-tech canvas fabric protects against UV rays and will keep you cool at the same time. NECKX can be attached to all INCEPTOR GRX models using a clip.

Maximum Lifetime: 10 Years

Material: Acrylonitrile butadiene styrene, Polyamide, Polypropylene

Temperature range: -30°C up to 50°C
