

Eye Anchor Starcon Load Group 5 t

Product information

The Starcon eye anchor is a steel component made for concrete casting. The foot of the anchor is constructed especially for strong concrete anchorage.

The cylindrical head of the Starcon eye anchor is attached to a Starcon lifting eye for lifting.

The Starcon product is designed according to EN13155-2009 and follows the guidelines in VDI/BV-BS 6205 and DS/CEN/TR 15728.

Marking: CE-marked, UKCA, Batch code, Load group+S, (Starcon)

Finish: Untreated, or hot dip galvanized

Note: The delivery time for the individual products is estimated. If the desired quantity is unavailable, please contact CERTEX Danmark A/S [Starcon](#) for information on the applicable delivery time.
